Prayer Requests

Forms are available in the pew racks and/or on a table in the back of the sanctuary. You are invited to complete one and give it to an usher before service begins, so it may be included in the Morning Prayer. You may also put your request in the offering plate to be added to our Prayer Chain.

"Hello!

Thank you so much for your phone calls, prayers, cards, and well wishes for Mary's recovery. Your thoughts and prayers have been so appreciated and effective! Mary has made remarkable - even miraculous - improvement!

Mary entered the hospital on June 14th and has experienced quite a ride ever since! She was diagnosed with viral encephalitis, experienced a long seizure, and spent 5 days in a coma. She amazed doctors, nurses, friends and family by "waking up." We know your prayers and her strong will, in addition to the expertise of a team of highly competent doctors, helped her survive this trauma! After a week, her improved condition allowed her to move from intensive care to a private room. More forward progress!

We are hoping she will come home today. We have everything in place for her care. You'll hear from us soon with an update. Thank you again for what you've done to give her encouragement and strength.

Sincerely,
Vance Fulton and Nancy (daughter)"
